POTENTIAL RISKS FOR CHILDREN IN SPORTS

Acceptance of violence (psychical, emotional).
Power relationship between coach and children.
Gender inequality.
Required physical contact.
Reward or competing systems.
Reward structures.
Potential risk environments, showers, overnight stays, individual rooms.
Inappropriate (sexual) behavior tolerated.

WHY ARE POLICIES AND PROCEDURES IMPORTANT
To create a safe environment for children and young people taking part in sport.
To clarify what organizations do to keep children safe in sports.

A QUALITY LABEL “CHILD SAFE ENVIRONMENT”
A quality label “Child safe environment” will be offered to federations and sports clubs which will approve Child Safeguarding Policies and will commit to Keeping Children Safe Standards.

ACTIVITIES
Research - on child safeguarding systems in sports federations, clubs
Child empowerment - a Child Advisory Board will be active in project implementation
Development of the training curricula for specialists and youth
Training and coaching of professionals - working with children in sports settings on child safeguarding policies and how to recognize abuse

DESIGNED BY CHILDREN
To create a safe environment for children and young people taking part in sport.
To clarify what organizations do to keep children safe in sports.

INTERNATIONAL EXCHANGE OF BEST PRACTICES

WE INVITE OTHER FEDERATIONS TO JOIN US!

FINANCING (within the financial perspective 2014-2020)

POLITICS AND STANDARDS
It is essential to promote child safeguarding policies and to involve the CYP and the professionals in their elaboration.
The International Safeguards for Children in Sport, the standards developed by “Keeping Children Safe” Coalition, local legislation and child protection system will be respected and included in every document.

CERTIFIED CLUBS
We will elaborate a methodology of certification and a public recognition of the child safeguarding procedures for sports clubs and federations.

OUR AMBASSADORS:

WE GET ASSURED THAT
Our children and young people are protected and completely safe whenever they practice a sport.

WE PREVENT
Any form by which the child may be adversely affected - emotionally, verbally or physically - within the spaces of recreational or performance sports.

20 trainers
20 sports clubs
20 trainings on safeguarding
120 coaches trained
120 children and young people promoters

CHILD PARTICIPATION IS A RIGHT!
